

## Norco Cheer Team Coach

Thank you for making the decision of becoming a cheer Team Coach (team mom).

Our cheerleaders are placed in two groups.

The first group is their football squad. This squad practices together in preparation for Saturday's football game. The squad is made up of a variety of age groups from 5 to 14 years.

The second group is the competition squad. The squad is based upon age and experience. The main goal for this squad is to perfect their performance for the end of the year competition.

As a team coach, you will have the opportunity to be a weekly coach (parent), Coach of a competition squad or both. Please let us know which position you would be most interested in.

**All Team Coaches are *required*** by SCJAAF to be stunt and safety certified and CPR certified. We provide the classes for both of these requirements. Dates and times will be posted on the website.

As a team coach your responsibilities will include:

- Communication with each parent and cheerleader regarding all aspects of Norco Cheerleading.
- Provide snacks for the girls at each game and for the visiting team at Home games.
- Team treasurer (you may be asked to do some team fundraising).
- Support for your trainer, participate in practice and games.
- Help us all provide a safe environment for our cheerleaders to practice in and at game time.
- Follow all Conference and JAAF rules.
- Pre-game roll call and weekly turn-in for each week's game (red rosters).
- Communication with your football teams mom.
- Communication with the visiting team.
- Communication with the cheer coordinator and staff.
- Must be certified in stunting and safety.

We will provide you with handout tips, worksheets and weekly rosters and all the support you will need.

**\*\*Please be aware, this is a responsibility that will start day one of practice and end when our last team wins the Mega bowl (August thru December). \*\***
