Do you currently play minor hockey?

Yes Current Association _____ Division _____

No Previous Association _____ Division _____

Parent Information (to be completed by parent)

The Association relies heavily on its young officials to deliver the hockey program. As a result there is a lot of responsibility placed upon these young people. As a new official they will be assigned mostly hockey games for the Novice and Atom divisions which mean many early morning games on the weekends. There may also pressure placed upon the young officials by other parents and coaches, although we do our best to support the young officials and discourage such behavior.

Before forwarding your child's application to become a referee we ask that you have a discussion with them to ensure they fully understand the commitment, and the expectation they complete the entire season if they are accepted into the program. The Referee in Chief will contact those individuals accepted into the available positions and advise them of the upcoming training program.

Parent Name _____

Signature _____
