

Nansemond Suffolk Pop Warner Football Association would like to thank you for your tremendous response to the Big Blue Club! The cost to properly outfit a youth football player has skyrocketed over the past few years. In addition to basic protective equipment, other necessary tools are required for the sport, such as, footballs, practice equipment, medical kits, storage units and yearly reconditioning fees for updating existing equipment.

Nansemond Suffolk Pop Warner appreciates your continued support!

We will begin our 2009 Campaign in just a few months. It costs roughly \$40,000 per year to provide the best equipment and facilities for our children. Your support will ensure our association remains the best in the Southeastern Virginia Pop Warner Football Conference. Please continue to be a Big Blue Club member!
