

THE WEEKLY WOLVES WRESTLING WRAP UP

Issue 5
1/4/2010

VARSITY GOES 3-0, HAS MOST WINS IN PROGRAM HISTORY

The varsity wrestling team accomplished three program milestones over winter break this year. First the wolves won all three of their duals at the LaSalle Peru quad. This is the first time in the program's history that the team ever went undefeated at a quad. All of the wrestlers contributed to these three victories, many of them wrestling up one or two weight classes to help the team achieve their goal of 3-0. The wolves had five wrestlers win all three of their matches in this meet. The wrestlers who went 3-0 were Ryan Holzrichter, Andrew Chastain, Jordan Easton, John Garza, and Chris Fagan. They also had four wrestlers who won two out of three matches and they were, Nolan Kopplin, Derek Ed-

wards, Kyle Bryson, and Brandon Rivera. All of these wrestlers propelled the wolves to wins over Boylan, Streator and Rochelle. They handled Boylan 44-21 and dominated Streator 60-21, and they finished the day off with a 41-36 win over Rochelle. This also led to the second milestone for the program, which is the most dual meet wins by a varsity team. The team's record now stands at six wins, and six losses. The six wins are the most ever for our team, and they are only half way through the season. The varsity wrestlers continue to get better every day and keep making strides for our goal which is to qualify for the sectional tournament.

Next week on Thursday we take on Oswego at Oswego High School. The wrestling team would love your support, and we hope to have more fans in their gym than they do. So please mark your calendar and come out to see the wolves beat our cross town rival.
