POLICIES

- I understand that the Pasadena Baseball Club has a right to select its managers and coaches. If selected as a manager, I agree to follow all Pasadena Baseball Club rules and policies. If not selected as a manager or coach, I agree to hold harmless the Pasadena Baseball Club and its organizers from any claim arising out of such decision.
- I understand that the Pasadena Baseball Club has a policy of requiring all of its managers and coaches to become certified as coaches by the Anne Arundel County Department of Recreation and Parks, which also includes authorization for a background investigation. I understand that failure to pass the background investigation will prevent me from managing or coaching in any Pasadena Baseball Club programs or activities.
- I understand that the Pasadena Baseball Club has a policy of promoting good sportsmanship at all times. If selected as a manager or coach of a team sponsored by the Pasadena Baseball Club, I will not engage in unsportsmanlike conduct, to include but not be limited to, threatening, intimidating, coercing, using abusive or vulgar language, or otherwise negatively interfering with a child, coach, manager, umpire, official, or spectator. I understand that the Pasadena Baseball Club maintains the right to remove coaches who do not adhere to this policy.
