

## State Tournament Rays Tickets Pre-order Form

Team Mom:

Parents can pre-order and save with discounted prices. Feel free to make copies of this form for distribution to parents to fill out their individual orders. Keep the originals so you know who to distribute the tickets to and just submit one form with the total number of tickets needed per team along with payment in advance and we will get the tickets to you to distribute to parents who ordered them. Please send completed form by **June 15th**, to allow us to get the order in to the Rays in time. Additional tickets may also be available at the Rays box office while supplies last, but at a higher cost.

Thank you,

**Tournament Committee**
