The WCAC is widely regarded as one of the most competitive high school conferences in the Metro Area. WCAC teams regularly rank among the best in their sports, both locally and nationally.

WCAC Baseball is especially competitive, with multiple conference teams typically ranked among the area's finest. Schools fielding WCAC baseball teams include:

- |                           |                           |

In 2006, WCAC Baseball returns to a single conference scheduling format, permitting each of the ten participating teams to play every opponent twice, for a total of 18 conference games. A single-elimination conference tournament is conducted at the close of the regular season.
