*Dear Friend of PVI Baseball,*

## **A TRADITION OF EXCELLENCE**

This coming season marks the seventh year of a new era for PVI Baseball. Back in 2003, the program started over with an entirely new coaching staff. Over the course of six years the organization has been able to make dramatic improvements to the facilities, equipment, apparel, continuing education for coaches and most importantly; great experiences and opportunities for student-athletes.

### ***The results:***

*138-44 Record - Seven Championship Titles - Perennial National Recognition - 33 Players to College Baseball*

## **CONTINUED IMPROVEMENTS**

The generosity of many businesses and individuals like you has made our success possible. The coaches and players have set one major goal... to be the best high school baseball program in America! To continue our quest we must have the best facilities, equipment and training available to our student athletes. Unfortunately our school is only able to provide funding for game costs and local transportation. The yearly cost of improvements and maintenance to facilities, equipment and uniforms is very high. The team also hopes to continue to accept invitations and the opportunity to travel to nationally recognized tournaments. With your help we can better accommodate our players and provide these young men with the best opportunities available and the experience of a lifetime.

## **HOW YOU CAN HELP US**

You can help facilitate our goals in many ways. We are offering several opportunities for advertising in our 2009 media guide program. Personal messages are available in the media guide as well. And of course, we will also graciously accept any donations.

**Media Guide Advertising:** We will produce a 30+ page media guide program to be distributed at all games. This book will be seen by thousands of people over the course of the year. Your participation will guarantee you a free copy of the media guide at all of our home games and a listing on pvibaseball.com.
