

Online Game Results Form

The Pyramid Baseball Website now has an **Online Game Results Form** to help you with submitting your game results to the local newspapers that cover American Legion Baseball. This online form contains all of the basic information that the newspapers need to provide a write-up on a game. When the winning team's coach completes this form and clicks on submit button, it will automatically distribute the game results to all of the local newspapers on the distribution list. There is no need to call the newspaper after you submit the form. You can find the **Online Game Results Form** on the Pyramid Baseball Website: www.leaguelineup.com/pyramidbaseball
