

Dedicated to Academics & Athletics

Dear Business Associate,

Rancho Cucamonga Pop Warner Football has participated in the Mt. Baldy Conference since 1978. The youth population of Rancho Cucamonga is continually growing and our program has expanded to accommodate the needs of our community. Thirty one years ago we started with three teams and we currently have sixteen teams. That equals approximately 600 children and we are growing!

Our program offers youth, ages 5 through 15, the opportunity to experience football and cheerleading taught by trained coaches at an affordable cost. We are proud to boast that we not only teach sports, but also the importance of teamwork and being an active part of the community in which they live. In addition, we are proud to be a part of one of the only organizations who recognize the importance of scholastics and promote this by recognition of a grade point average of "B" or higher. We are working with the elementary, middle, junior high and high schools within our community in promoting academics as well as athletics. Rancho Cucamonga Pop Warner is very proud to announce that they have also been named one of the TOP 5 Youth Football organizations in California and the #1 Youth Football organization in the Inland Empire, as ranked by FirstandGoalNation.com.

We have worked hard to ensure that the children who want to participate can. We provide players and cheerleaders with top quality equipment and uniforms to use during the playing season. The average cost to outfit a player is \$450.00 and \$85.00 for a cheerleader.

We play eight games during the season with qualifying teams participating in local playoff games. At the end of the season we provide banquets with trophies to all players and cheerleaders. We also recognize those participants who have exceeded in academics and encourage the other participants to follow their example.

Rancho Cucamonga Pop Warner has been fortunate in being able to rely upon our many dedicated volunteers and sponsors to assist the children of the community who participate in our youth football program. We measure our success not only by the number of returning and new players and cheerleaders, but also the volunteers and sponsors as well.

As in all non-profit youth sports programs, annual sponsorships are necessary to assist in offsetting the costs of ensuring that a quality program is maintained.

Your donation is tax deductible and greatly appreciated. To thank you for your generosity we would like to advertise your establishment in our annual Vineyard Bowl Program. Please provide a business card along with your sponsorship. We will also provide you with a receipt with our non-profit California Tax Payer's Identification Number for your records.

Sincerely,

Veda Mosley
President
