14:10	End	Teams are requested to keep tournament on time, help basketballtayside & fife volunteers tidy up hall at end of tournament and vacate the premises by 2:25pm – thank you and have fun!		

basketballtayside & fife – Under 14 Tournament Rules – Size 6 ball to be used.

- Each game slot has a total time of 20 minutes. The tournament must be kept on time please!
- 2 minute warm up (can be restricted if tournament runs behind schedule)
- 2 x 8 minute running clock halves – 2 minutes maximum half time.
- No time outs – coaches are encouraged to coach through substitutions/active play
- All players must get court time in each half
- Substitutions on any dead ball / referee's whistle
- All baskets count 2 points (3 point line will not be recognised so no 3 point baskets)
- No Free Throws
 - Foul and basket good – 2pts plus half way line possession
 - Foul and shot is missed – 1 pt plus end line possession
 - Foul not in act of shooting – side line possession
 - Technical foul (on player or coach) – 5 pts plus end line possession
- There is no maximum amount of fouls a player can commit but serious or repeat offenders should be substituted out of the game by the coaches and educated on what they are doing wrong / why they are fouling so much.
- No overtime – if games are tied at end of 2nd half, teams should continue playing with the next basket the winner. Points awarded for a foul in the act of shooting will count so teams deliberately fouling to stop a golden basket will lose the game.
- In the event of any disputes, the tournament organiser's decision will be final.
