

ATHLETIC STUDY HALL

There will be a mandatory Athletic Study Hall this year from 2:20- 3:00pm everyday except Friday. All athletes are expected to attend with the following exceptions:

- 1) The team does not have to come to Study Hall on Game days.
- 2) If an individual has a 3.25 grade point average or better on their last report card they are excused. They need to show their report card to the Athletic Director.
- 3) They must maintain this 3.25 GPA on their progress report . If they slip below this average they must report to study hall.
- 4) If they are meeting with a teacher or being tutored they can miss study hall with a note from the teacher.
- 5) Attendance will be taken and absentees will not be permitted to practice that day or the next day.
- 6) Coaches are to help monitor the study hall. On Mondays those coaches who are not teachers at Rockville will have to monitor study hall. The teachers have to attend meetings on Monday. The first week we would like all coaches to show up. After the first week a rotating schedule can be developed.
- 7) On rainy days there will be study hall. The team(s) that practice first will have to have a study hall after practice.
- 8) We would appreciate your support and enthusiasm to make this work. The players need to understand that they are a student first.

The study hall will start for the Fall teams on Tuesday Sept. 6th at 2:20 in the cafeteria. No practice can start before 3:00pm. Start prepping your players.
