

Hello RBI Families,

Welcome to the 2012 RBI season! Registrations are now open. For more information, as always, please check our website at www.richfieldbaseballinc.org.

New For 2012

- In December, the RBI Board approved a new fee structure for the programs. TBall remains the same at \$50 for residents/\$60 for non-residents, while Northern increases to \$75 residents/\$85 for non-residents, Minors increases to \$100 resident/\$120 non-resident, and Majors increases to \$125 resident/\$145 non-resident. The increased fee will include the cost of putting player names on hats and jerseys, and also allow the organization to keep pace with increases in other costs as well.
- We now have online registrations! Our online forms allow payment by credit card or PayPal. For those who prefer to mail it in, we still accept that too!

Unchanged From Last Year

- We still may have to limit registrations at each level owing to size restrictions.
- We offer registrations to Richfield residents only through January 29th. Residents are players who reside or attend school in Richfield. Non-residents can submit registration before then, but can't be confirmed until after the date above.
- After January 29th, registrations will be processed daily in the following order: residents first, returning 2011 non-residents second, and new non-residents last.
- We still offer financial assistance to resident players. While we can't guarantee the amount of assistance we can offer, all those who submit the form will receive serious consideration. In 2011, we were fortunate to offer assistance to all who requested it.

If you have any questions about the registration process, please don't hesitate to contact our Registrations Director at registrations@richfieldbaseballinc.org or richfieldbaseball@gmail.com.

Thanks again to all volunteers, parents, players, sponsors, and fans who make RBI possible. We look forward to another great season!

Sincerely,

John Ekholm

President, Richfield Baseball Inc.
