

Parents of U14 and U19 players

This season our U14 and U19 Teams will travel to Lockport and other areas to play a series of games. Please see your team schedule for actual dates and times.

Permission to ride with a Team Coach or Parent

We will also need a parent permission form for rides filled out for all parents/guardians who will not personally drive their children to the games.

If your child needs a ride, please let us know. If you are able to transport another child, please let us know.

Any child riding to one of these games in a vehicle driven by someone other than their parent or guardian must complete this form and deliver it to the team coach prior to departing for that day's game. The permission slip must include the following format.
