

St. Angela Merici Athletics Association

Athletic Association Meeting 1/17/2012

Called to order at 7:33

Attendees: Ron Turner, Marlo White, Joe Brady, Judy Washington, Denise Abbott, Teri Hibbits, Sandy Trupiano, Lisa Smith, Tina Cira Roach

1. Photos needed for Jan. 29th for the Open House 10am to 3pm and send through Jayda at school

Judy said she will put together. She said she is going to contact Jeannette Smith and Kevin Boschert about pictures as well.

We need volunteers to help work table. Volunteer form will be out there and computers will be brought for sign-ups.

2. Judy is going to email everyone Kevin's parish rep report.
3. Teri Hibbits wants to help us. She offered to call people who have not paid so we don't lose players. She also had ideas of the following: put a sign on the gym door to let the people know what is opened in registration (Judy is going to talk to Mrs. Kauffman), we need to get a flyer to Peggy for the bulletin about the registration, Sandy is going to email Mrs. Kauffman to get a flyer about registration into Wednesday folder. Suggestion was given to have some type of data base that separates the kids who are school attendees and the ones who are not. We could send out a postcard to the non school members to remind about sport registrations. Teri mentioned that she is going to check to see if Mrs. Kauffman will let her pass the athletic association a list of new school members so we can approach them and welcome them into our organization. Also Judy mentioned that she would attend the new parent meeting to explain what we do.
4. Judy mentioned that she would talk to Fr. Keller about putting information on the marquis.
5. We need Sacred Heart training league volleyball money.
6. We need to order jerseys in the next month.
7. Three people signed up for golf, two people signed up for track and 15 for baseball and softball.

St. Angela Merici Athletics Association

8. If players have not paid for basketball by Feb. 1st then they will be pulled off of rosters. Money has to be sent to Sandy Trupiano.
9. Concern of teams playing children without CYC cards brought to the attention from North County CYC.
10. Tina brought ideas of looking at doing the softball/baseball training league tournament this year and has volunteered to do the soccer tournament as well. She also mentioned that we need to thank our coaches and we should do an adult get together and thank our coaches for all that they do. She suggested a North County CYC dance with all of the parishes. She also brought up that at one time the athletic associations used to have 8th grade/high school dances and maybe we should look into that. Sandy mentioned that she wants to see how much things are going to cost before it comes to board for a vote. Tina said she will get all of the information together and bring to board.
11. It was brought up about the Lapage scholarship. Lisa Smith, Judy Washington and Sandy Trupiano volunteered to vote on essays.
12. Judy and Sandy are looking into how much scoreboard will run us.
13. We will need two basketball backboards by next year.
14. It was suggested that we need new bleachers and benches since we have mostly women that are opening and closing the gym.

Ended at 8:30.
