Going on our 3rd Year!

The last two years the Sawtooth Baseball Academy has conducted its Spring Training Program for the youth of the Wood River Valley. The feedback has been extremely positive from both parents and players, and kids have hit BCRD ball and all-star ball much more prepared and confident.

"Woohoo!! He's going to be so excited that you're doing this again!" -2010-11 Participant

Due to time constraints, the SBA has been forced to limit this year's program to the Transitional 12u. This 70' instructional program introduces new base-

ball dimensions and rules which will greatly aide our players in making the jump to Babe Ruth next year. The program incorporates competition so that the players can take their new skills and apply them quickly to game situations.

We will start with a Spring Break Clinic for those who remain in the area.

Coach Russ Wright is a highly-regarded college and high school coach, now at Fruitland. After practicing the weeks of April 9th and 20th, the team will participate in the Rocky Mtn. SuperLeague on the Satur-

days of April 21, 28 and-May 5.. The program will culminate in the rmsb Pocatello Tournament on May 11-12.

Also, this program will NOT interfere with the BCRD season or the WRBSA All-star season. In fact, what a great way to prepare for both!

*Details of the RMSM Super-League and Pocatello Tournament can be found at rmsb.com
