Medical Information Forms

This packet contains medical information forms. In today's climate of insurance claims and liability action, the use of these forms is mandatory by your club and/or league.

Parent's Medical Instructions

This form can give your club coach or administrator instructions on how to proceed if an athlete becomes injured or ill and needs emergency treatment.

Medical History Questionnaire

If you are traveling and one of your athletes needs medical attention, this information can be of great value to an attending physician.

The parent's Medical Instruction and the Medical History Questionnaire for each athlete should be kept in a sealed envelope with his name on the outside in or with the club's medical kits. It is recommended that the kit also should have a list of emergency phone numbers for each club member, along with the standard 911, police, ambulance, fire, etc., phone numbers.

Please keep all forms on file for a minimum of 48 months.
