- 1.) *Under the home side bleachers there is an old refreshment shed of sorts where kids have been playing during games. The shed and door are in complete disrepair and are not safe. Please supervise your children at all times and keep them out of this area.*
- 2.) *Every football player should have a parent or guardian with them at practice. If you need to leave practice for any amount of time please inform the coach and be sure to leave a number where you can be reached in case there is an emergency. Also when you get back check to see if you missed anything.*
