

Scripps Ranch Little League 2010 Petition for Special Consideration (To Be Used Only To Hold a Child Back)

Unless granted special permission, children are guaranteed to play in the division associated with their league age (or higher). All 12 year olds will play in Majors, 11 year olds in Minors AAA, 10 year olds in Minors AA, 9 year olds in Minors A and 8 year olds in MAPs. I understand that the Scripps Ranch Little League Board of Directors is committed to having children play in the division which is appropriate for each child's age, maturity and/or skill level because SRLI believes that this results in the best balance of skill in each division, and promotes safety.

I request that my child: _____, of League Age _____, be held back into the following division: _____ for the following reasons:

I understand that this process is not to be used to attempt to accelerate a child's placement into a division higher than that to which he or she would naturally be drafted, and can only be used to hold a child back. Further, I understand that this Petition procedure is not to be used to simply avoid a particular division (i.e., the practice of holding a child back one year, and then skipping forward two divisions the following season), or to attempt to manipulate my child's skill level in comparison to the other children in a particular division.

I further understand that the SRLI Board of Directors will decide whether to grant the present Petition, based upon what they believe to be the best interests of all the children in the divisions impacted, including the consideration of any potential safety issues.
