

# **SCYA Refund Policy**

*(Effective 3/09)*

All refund requests must be submitted in writing, received prior to the first game and approved by the Sports Commissioner. No refunds will be issued after games have started. No refunds will be issued for anyone dismissed for disciplinary purposes. No refunds will be issued to families with outstanding uniforms and/or equipment.

Approved refunds will forfeit \$15 for each registration as an administrative fee, with the exception of the following three instances. These will receive a full refund (minus any late fees):

1. SCYA is not able to place the child on an age appropriate team for the requested sport;
2. The child is not eligible to play the sport for SCYA because he/she is on a high school team;
3. The child is unable to play due to medical reasons. (Physician's note required.)
