## SCYA Volunteers Needed

SCYA is Southern Anne Arundel County's largest youth sports organization.

SCYA's sole purpose is to promote the health and well-being of our communities' youth through providing recreational and competitive athletic programs for players ages 4 to 18.

These programs demonstrate to our youth the ideals of sportsmanship, teamwork, preparation, and good conduct.

Our program is run entirely by dedicated and selfless volunteers from our community. As a non-profit organization, no position or person receives payment

or personal gain for their support. They volunteer because they believe in our communities' future leaders and understand the importance of fitness, health and positive learning experiences.

For the association to continue to provide outstanding athletic programs, we need more dedicated volunteers from the board and advisory

levels all the way to Team Parents.

Please consider getting involved in supporting our community.

Current open board positions include:

Director Clinic Sports, Commissioner Softball, Commissioner Boys Soccer, Public Relations Manager, Picture Coordinator, Tracey's Snack Bar Coordinator, and Shady Side Snack Bar Coordinator.

Visit the Volunteers section in the main menu of our web site for more information.

# Spring Sports Photos

Have you ever tried something new and you were not sure how it would turn out. Well the Spring Sports Photos was something new for SCYA.

SCYA moved to a new Photographer who could offer competitively priced packages and new options for our players.

Fortunately for the program we had more spring teams than originally estimated. Unfortunately there was a delay in getting all of the teams scheduled and pictures processed.

We learn as we go and believe we are still providing a good product for our players. The issues have been resolved and pictures are on their way. Thank you for your patience.

**Photo Mail Out Schedule**

Soccer: May 21st

Lacrosse: May 31st

Baseball: June 5th

## GENERAL MEMBERSHIP MEETING

SCYA has an annual General Membership meeting to update parents and players on all the Club happenings. This meeting is open to any parent or player in the SCYA Organization.

The 2009 General Membership meeting is scheduled for June 3rd at 7PM at Southern Middle School Cafeteria.

The agenda will include introduction of your executive board members, the club operating processes, a discussion on where your sports fees go, current SCYA field permits and facilities and how the clubs within the local area work with county recreation and parks officials to schedule field usage, maintain fields and facilities, register teams and get authorization to offer sports programs.

Parents and Players will have an opportunity to ask questions and offer suggestions on how programs can be made better for everyone.

There will be an open discussion on how the organization can get more volunteer involvement.

SCYA provides sports programs for more than 500 families. We hope to see as many of you as possible come out and support your board and offer ideas, suggestions and THANK YOUs to those that work so hard for the love of the game and the accomplishments of your players.
