Announcement!

The Sharpsburg Youth Football Association will offer full contact football and cheerleading beginning mid-July, 2009 for all children ages 5 to 13 with a recreational and competitive league. While learning the fundamentals of football and cheerleading, the children will develop sportsmanship, build character, and develop friendships they will cherish for a lifetime. Many of our coaches previously coached in the Peachtree City Youth Football Association and other organized youth sports associations in the area. All coaches will be certified with National Youth Sports Coaches Association (NYSCA) and will attend various coaches clinics to help them to train to be top notch youth sports coaches.
