Dear Perspective Sponsor:

We would like to take this opportunity to introduce the newly formed youth football league for children ages 5-12 in Coweta County. We are asking for your help to make this league a success by seeking sponsorship.

The Sharpsburg Youth Football Association, Inc. (SYFA) was incorporated as a domestic nonprofit corporation (501 (c) (3) in December of 2007. Many of us were formerly with the Peachtree City Youth Football Association, however due to growth in both Fayette and Coweta County, a new association was needed to address this.

We have a projected start up of 300 football players and 150 cheerleaders. The SYFA is committed to giving back to the community by investing in the lives of our children through football and cheerleading. Our goal is to emphasize the importance of sportsmanship, teamwork, character and academic achievement. The only way to make this possible will be through the moral and financial support of the community and sponsors. Any donation you can contribute will be greatly appreciated.

As a sponsor, you will receive valuable recognition and visibility within the community. Top level sponsors will have a corporate sponsor banner on display at the field, have their names announced at the beginning of each home game and will have a banner and link on our website. In addition, we are open for any other suggestions for advertising you may have.

We appreciate your consideration.

Sincerely,  
Sharpsburg Youth Football Association, Inc.
