The size chart is just an estimate on sizing. If you are unsure of your player's size or it is your first year playing for Safety Harbor Little League, it would be in your best interest to try on our uniform samples. Samples are available in the SHLL fieldhouse. Uniform fittings can be done during walk in registration dates starting November 17th and 19th, 2009 and tryout dates TBA. SHLL will only provide one uniform per player which includes shirt, pant, belt, socks, hat (baseball)/ visor (softball). If your child is in between sizes, please move up to the next size. It is a long season and of course, our players are constantly growing.

We look forward to seeing you at the fields!!!!
