

Smithfield Recreation Association

Coach Selection Guidelines

The SRA Board will approve all coaches for the league.

The Commissioners will provide to the SRA Board the list of prospective coaches who have volunteered for each division/team.

When there are more coaching volunteers than teams in a division, the following guidelines will be used by the SRA Board to determine which coach is selected; however, the SRA Board reserves the right to use additional attributes in the approval process as deemed appropriate by the SRA Board.

In order of priority:

- 1-Previous Spring Season Head Coach, returning to the same division, in the same sport.
- 2-Previous Spring Season Head Coach, returning from different division, within the same sport or any division from the other sport.
- 3-Previous Fall Season Head Coach, or Sunday Select Coach, Baseball or Softball
- 4-Previous Spring Season Assistant Coach, Baseball or Softball
- 5-Previous Fall Season Assistant Coach, Baseball or Softball
