

RESIDENCE ELIGIBILITY REQUIREMENTS

Each local Little League determines the actual geographic boundaries of the area from within which it shall select players. These boundaries must be described in detail and shown on a map and dated when making application for a Little League charter. Players will be eligible to play with that league only if they reside within the boundaries provided to and approved by Little League Baseball, Incorporated.

A player will be deemed to reside within the league boundaries if:

- A. His/her parents are living together and are residing within such league boundaries,
OR;
- B. Either of the player's parents (or his/her court-appointed legal guardian) reside within such boundaries. It is unacceptable if a parent moves into a league's boundaries for the purpose of qualifying for tournament play. "Residence," "reside" and "residing" refers to a place of bona fide continuous habitation. A place of residence once established shall not be considered changed unless the parents, parent or guardian makes a bona fide change of residence.
