

TWIN CITIES JR. BLAZERS

"Building a better youth of tomorrow, through Mentorship, Leadership and Integrity"

Sponsorship Form

Twin Cities Jr. Blazers is a non-profit organization that provides an extensive youth tackle football and cheer program to the youths of Yuba and Sutter Counties, and surrounding communities. Twin Cities Jr. Blazers exist only by many dedicated volunteers giving their time coaching and administrating, and businesses or individuals like you, financially sponsoring our teams to help defray the growing costs of equipment and league fees. Your support is essential to each child that wants to be involved in the program.

Mission Statement: It is our goal to provide a safe and wholesome atmosphere, where kids can learn to play football and practice the ideals of sportsmanship, scholarship, and physical fitness, all while having a good time along the way. Our program stresses learning lessons beyond the football field such as self-discipline, teamwork, concentration, friendship, leadership, and sportsmanship. Our safe exercises, drills, and rules are there to ensure that all kids are physically and mentally prepared for cheer and the game of football. Each child is unique and develops at their own pace. We will exercise their bodies and minds in an effort to develop the skills needed in football and life.
