2. Classifications: **TBD- Upper Team VS a Middle Team-** Middle team will start with runner on 2nd base 3 consecutive innings. **Middle Team VS Lower Team-** Lower team will start with runner on 2nd base 3 consecutive innings. **Upper Team VS Lower Team-** Lower Team will start with runner on 2nd base each inning. Last out of each inning or last batter in line up if starting first inning will start on 2nd base.
3. Unlimited Home runs in the main park. 2nd Complex if used, will be one and progressive.
4. Stealing will be allowed after the ball crosses the plate. Once committed you must advance. The main complex will be 90ft base paths for men and 60 for women.
5. Leading off- Only at main complex, runner does not have to return to base, catcher can throw down to first after ball crosses plate and runner must return unless ball is in play. If the throw is over thrown that will be the only time a runner can advance.
6. WSL/USSSA Pitching and Rules. This is an open tournament and will be all about having fun!
7. Disclaimers, fees or other required paper work must be in 1/2 hour before the first game.
8. Umpires have Official Time. Teams are responsible for verifying time

10. Teams must be at field ready to play 30 minutes prior to schedule game time. Late team will become visitor and home team will be rewarded 2 runs / 5 minutes until game time.
11. Run rule: 20 after 3 innings, 15 after 4 innings, and 10 after 5 innings. Except championship bracket.
12. Ties: after time expiration or 7 innings a one pitch tie breaker will begin. One pitch to each batter with a "man" on second base.
13. Batters begin with a 1 ball and 1 strike count. **NO EXTRA FOUL.**
14. One courtesy runner per inning / last out.
15. All bats must meet Current ASA/USSSA approval and / or tourney restrictions.
