Week ending September 3rd

SUNDAY'S GAME This **Saturday, September 5th** we play our next game. Meet at the Pee Wee Football field at **1:05 p.m.** (on the lower lot or behind the bleachers). Our game is against the Broncos and will start at 2:05 p.m.

PRACTICE NEXT WEEK Next week our practices will be on **Tuesday, Wednesday, and Thursday** due to the Labor Day Holiday on Monday, September 7th.

FALCONS DECALS Sugar Keirns has agreed to make Falcons logo car decals for us at \$8 a piece. Thank you, Sugar, for agreeing to do this.

FANTASY FOOTBALL If any player or parent would like to join my Fantasy Football league, please forward your email address to topp98@aol.com, so that I can extend an invitation to you.

FOOTBALL 101 We have lots of parents who have questions about the strategy, rules and penalties of football. Thankfully, we also have parents who *know* the game and are willing to teach! Please see Team Mom Patti with your questions about the game or if you would like to volunteer to teach the parents.

CASE OF GATORADE We are asking that each player bring 1 case of Gatorade and give to Ms. Coovert. She has been kind enough to volunteer to store the drinks and bring to the boys to enjoy after the games.

FIELD DUTY The Falcons team is responsible for closing field duty on **Saturday, September 19th**, which is mandatory for all players. We will need parent volunteers, so please see Team Mom Patti to sign up for the area you would like to cover.

WALK-A-THON & RAFFLE TICKETS Please make every effort to turn in your Walk-A-Thon & Raffle Ticket money by Monday, August 31st. Each player is required to raise \$25 in sponsors for the Walk-A-Thon and sell a minimum of \$50 in Raffle Tickets.

H1N1 VIRUS Given the recent alert of H1N1 in the Boone County School System, the team is taking the necessary measures to insure the safety of our players. If you would like a fact sheet on the H1N1 (Swine Flu), please see Team Mom Patti. We are asking that you provide your player their own water bottle at practice to until further notice. We are asking each of you to educate your child on proper hygiene including: *Avoid touching your eyes, nose or mouth. Germs are often spread when a person touches an object that is contaminated with germs and then touches his or her eyes, nose or mouth, and to cover his mouth when sneezing or coughing. If you have any further questions, please don't hesitate to ask.*
