Welcome to the Tosa Girls Softball League!

For over thirty years, our league has offered the youth of Wauwatosa the opportunity to learn and play baseball in an educational yet fun environment. Many boys and girls who have played in our league have gone on to play baseball and softball in programs at the high school and post high school level. Let me stress that the environment we strive to provide is meant to get the whole family involved. Parents working with their children set a good example and provide the springboard to open communications, now and in the future. Players please enjoy the season, and parents, get involved!

Tom Syburg, League President

Team Uniform Sponsorships: Local businesses can sponsor a single team or even an entire division. Company logos are silk-screened on the backs of league uniform shirts. Sponsors are also listed on the league web site with a link to their own home page, if desired. A team appreciation plaque is included.

Participation: Children (and their parents), today, have many activities to participate in. Softball, being a team sport, depends on the unity of a team and commitment of each player on the team. Prior to registering, please consider the amount of time you and your child can invest. Attendance is expected at team practices and league games, understanding that summer is the time for family activities.

Medical Emergencies: Generally, consent to treat a minor injury must be obtained from the parent or guardian. In the event of a life threatening emergency, medical treatment may proceed without consent. The parents or guardians will be sought out, but, if necessary, a court order may be obtained to continue treatment, once the emergency has passed, and if no third party has been authorized to consent to medical care. To expedite the care of your child during your absence, it is best to leave a witness statement with the adult (person 18 years old or older) to whom you are entrusting your child.

Contact: **For answers to any questions regarding registration, please refer to the Tosa Baseball website, www.tosabaseball.com.** E-mail messages can be sent through the website. Your questions and concerns will be addressed. You can also learn about Tosa Girls Softball on the Internet at www.tosabaseball.com.

League Information: Tosa Baseball League, Inc. is an independent league and is not affiliated with any "Little League" organization.

Tosa Girls Softball League is for girls ages 7-15. The number of teams fielded depends on the number of fields available, the number of volunteers for key positions, and the number of registrations received.

Volunteers make the league work, so please, get involved. Coaches, umpires and managers receive league-sponsored training. The league is administered by a volunteer Board of Directors made up of parents of players, just like yourself. The Board meets once a month (except August & December) at the Hart Park Pavilion. Anyone interested is welcomed and encouraged to offer their constructive input on the running of the league.
