Open Floor:

John introduced Jose Ibarra, comp coach for U-9 & U-19 boy's teams. He helps coach at Logan and is a teacher in Hayward. He designed a sponsorship letter in an attempt to drum up more donations for the club. He asked for suggestions in making any changes. Marcos Rodriguez, former UCYSL coach, came in to clear up any rumors about him being a bad coach. The board explained to him that he has been playing a child that is too old for his team. Denies being aware of that issue.

Reports:

Cyndi: Ordered 80% of Rec. uniforms. Did not order any coaches gifts. Total cost to date \$7800.00.

Erlien: Registrar made error for Eagles team. She will drive to Brentwood to pickup corrected paperwork. There have been 65 more registrations at last date, 25 more being entered into the system. Next registration May 7th

Irma: Possibly need to change May 7 & 14 reg. dates because Round Table says it's been too crowded.

Victor: F License coaching class has been scheduled.

Armando: Will not be writing out any checks unless a requisition for money is received. There is currently \$12,686.19 in the bank. Need to be super careful about budgeted items. Account needs to have approx \$25,000.00 by the end of December to carry over to the next year/season.

Luis: Web link for uniform orders is now online. Club needs to buy another \$5000.00 in tickets to satisfy our Earthquakes partnership. Luis has not received the online registration link from Erlien. PCA dates are posted online. Luis is requesting a monthly P & L statement from the treasurer. Armando agrees to send it out monthly rather than quarterly.

Rosie: City wants permit money every 3 months upfront. Suggests budgets be reviewed again. City is requiring that all coaches have “permit in hand” when using the fields.
