

Utah Sports Academy Basketball Event Sponsorship

Utah Sports Academy is a Non-Profit Sports Organization that provides unequivocal excellence in sport camps and clinics for under-privileged youth, while incorporating Academic and Social fundamentals.

Over 250 boys and girls have already participated in Utah Sports Academy's(USA) Summer Camps with many more youth planning to attend further upcoming events. We serve all youth ages 8 to 18 with programs in three communities and are expanding to other communities throughout Utah each year. Our non-profit organization would not be a success without the support of each community we teach in.

Our Goals at USA are to: 1) Promote the game of Basketball; 2) Assist players with the development of their skills (without the HIGH cost of travel and/or expenses); 3) Develop and encourage sportsmanship, community, spirit, and good fellowship among all participants; 4) Provide the opportunity for equal participation.

The popularity of Basketball is growing at a tremendous rate among the youth, opportunities for a strong Basketball Youth Program needs your support. The donations we receive are vital to the existence of our organization. The Utah Sports Academy believes your organization teamed up with ours would be a perfect combination, and together we can provide more accessible programs in your community.

Below are five packages that would enable your business to obtain recognition for supporting USA and Youth alike in the community. Thank you again for your anticipated support.

Sincerely,
