Dear Parent and Participant:

With the 2009 Season rapidly approaching, we wanted to share some exciting news about your Vacaville Bengals organization.

*For the 3rd straight year we have secured a full Executive Board that will assist with the preparation and planning of this upcoming season.

*Coaches for both Football and Cheer at ALL levels are lined up and ready to go!

*We will be offering (2) Mitey Mite and (2) Junior Pee Wee teams for Football.

*We will be offering Cheer Squads at all levels, all teams

*We now have the flexibility to play/compete against ANY local neighboring team & cheer organization offering your child maximum exposure to their sport and a more competitive playing field!

*Despite tough economic times, we were able to maintain our regular registration fees AND offer a mandatory fundraiser in which you have a chance to win and play for free.

*Lastly, in an effort to better support the needs and expectations of our youth, we have joined the nationally recognized American Youth Football and Cheer Inc. The largest youth football and cheer organization in the country.

So when a friend or family member asks you what the difference is between the Bengals and any other youth football/cheer organization in town, you can tell them:

- We have served the Vacaville community for over 30 years!
- We welcome all youth from the ENTIRE community, despite zip code / school.
- We offer participant scholarships and discounts for those who are in need.
- We are the ONLY ASSOCIATION that the City of Vacaville has a dedicated home field for our participants to use.
- We compete at both a Regional (Northern California) and National (Florida) level.
- Finally, EVERY decision or action taken is in the interest of our participants.

Sincerely,

2009 Executive Board
