- All scheduled games will be played @ Doris Davies Park
- Players cannot be substituted without league permission. League permission would require a circumstance that would prevent original player from finishing season.
- If a team cannot make a scheduled match they must reschedule at convenient time for both teams. Advanced notice must be given. Rescheduled games should take place in span of the season.
- Visiting team listed first.
- Visiting team provides a can of unopened balls for each game. Each team will provide five cans of balls during the season, so playoff weeks teams #3,5,7,8 bring an extra can of balls for the league.
- Use the "Honor System" (no officials) so make your own calls.
- We are scheduled to play on Tuesday of Thanksgiving week**
- Check website for standings, news, rules, etc.
- Each match will consist of best of three sets. If set is tied 6-6, Coman tie breaker used.

Next league is  
scheduled for  
Spring 2010
