Re: Adult Softball Sponsorship

Dear Sponsor,

The City of Victorville offers three seasons of softball each year. The cost per season ranges from \$300 for Sunday afternoons, to \$350 for weeknight leagues. We publish schedules and standings on our website www.victorvillesports.com. So you can follow your team. If your team uses your name as part of the team name, you'll see it in the standings and game results, as well the rest of Victorville.

If your team wins a league they will win a large sponsor's trophy and t-shirts
