

## Booster Club Letter

On behalf of the Vista High School (VHS) Football Boosters, welcome to the 2009 season of Big Red Football! The VHS Boosters is an organization comprised of over fifty active members. Our members include parents, legal guardians, community business leaders and alumni who never cease to support our team. Our Head Coach, Dan Williams, has outlined an exciting schedule for the year. During the off season, we began preparing our team by having them participate in several team building events such as spring ball, passing tournaments, and summer football camp.

I encourage all parents of VHS football players to join the boosters. Remember, your support and participation ensures a proud tradition will continue to flourish. So far this season, your contributions have enabled the Boosters to purchase a wireless credit card terminal. The device will offer our fans the flexibility to purchase Spirit Wear by using their debit and/or credit cards; thus saving their pocket change for the snack bar! The wireless credit card terminal will also be available for our parents and supporters during our annual events such as the team banquets. Purchasing the wireless credit card terminal is a practical example of booster donations at work providing ease for fans as we continue to modernize our program.

Booster membership has several levels which can be attained for as little \$20.00 per year at the first down level. Hard core boosters can opt for the \$50.00 per year touchdown level and receive an all-pro Vista "V" Football Cap, plus two home game tickets redeemable at any home game this season. Our pre-season fundraising activities included the Cookie Dough Fundraiser, the Big Red Golf Tournament Fundraiser, the Blitz Ticket Fundraiser and the Spaghetti Dinner Fundraiser. The seasonal fundraiser event will be the Big Red Letter Fundraiser.

Additionally, you can support VHS Football by registering at [www.escrip.com](http://www.escrip.com) and participating merchants will make contributions to the VHS Football Program, group ID 500002674 when you make purchases using the card you have registered. Your membership and contributions help to ensure our young men look like champions on the field. Remember, "The future of VHS Panther Football Boosters begins with you".

As I enter my second campaign as a "motivated VHS booster"; I'm pleased to report we have an amazing team of volunteers who love their sons, respect our team, and admire our coaches. Our elected officers, chairpersons and members give their time and love to the program simply because we are **THE BIG RED FAMILY**. To all visitors, welcome to the panther den. Enjoy the season! Don't forget to visit the Spirit Wear Booth and purchase your favorite regalia. Stay informed throughout the season; visit our team site for weekly updates and photos at [www.vistahighfootball.com](http://www.vistahighfootball.com).

Now it's time to hit somebody.

Garrett Reynolds  
President  
VHS Football Boosters

VHS Football Booster Club Elected Officer's  
Garrett Reynolds - President  
Katrina Demlow - Secretary  
Nancy Irwin - Treasurer

**GO BIG RED!**
