## Division 5 Skills and Drills

### Overview

In an attempt to provide more concentrated soccer training and instruction for boys and girls enrolled in the Voorhees Soccer Association fall intramural season; the VSA is pleased to announce the offering of a soccer training program for those children at the Division 5 level. The program will focus on improving the individual ball skills of the children that participate. It is open to all Division 5 children regardless as to whether they have intentions of pursuing travel soccer or not. The program will consist of 8-10 weeks of instruction from professional soccer trainers. These trainers have been highly recommended by our travel coaches. At each session, the boys and girls in attendance will be assigned to an individual trainer in groups and that trainer will spend the session using drills that will improve the ball skills (dribbling, passing and shooting) of the participants. While the sessions are meant to be instructional, the trainers will also ensure that the sessions continue to be fun for kids that participate.

**Cost:** \$35/child payable at the 1st session

**When:** Program will start Friday, September 11 from 6:00 PM – 7:30 PM and continue for 8-10 weeks (except for Friday, September 18)

**Where:** Echelon complex

\*There may be a few conflicts on Friday with scheduled games. We will try to limit the conflicts to no more than 1 for any team. We'll do this either thru reschedule some Division 5 games or rescheduling one or more Friday night training sessions.

**Registration:** Please bring completed form with payment of \$35 cash or check (made to VSA) to the first session attended.
