print handouts without
having payment in hand

Checks payable to:

Central Bucks South

Baseball Club

Write Company Name in Box

All sponsors,
regardless of level,
will be listed on Trivia
night T-shirts

CB South Baseball Coaching staff and Parents association are soliciting donations from businesses and friends to help the baseball program outfit its teams with quality training equipment and facilities.

Above and to the right are conceptual renditions of what we're trying to accomplish, and build over the next few years.

Our efforts are to uplift the facility so that it can be an attraction for not only our players to want to play/train in, we also hope that it will attract the community to participate as spectators as well.; make it an attraction. The coaching staff has and will produce quality high school baseball players to make it enjoyable to watch baseball be played, and played in the manner that it should be.

Our first effort at raising additional money is to host a Trivia Night for friends and family from our community to attend.

*We're looking for & hoping you can help us, and the coaching staff attain our combined goal; **DREAM!***
