

The Star Soccer Academy is designed for young players in our area who wish to refine existing skills and more importantly become exposed to and learn many new skills.

The camp is open to all level players, with participants grouped by similar age and ability.

The player to coach ratio will be approximately 10:1. Players will receive a camp T-shirt and secondary medical insurance.

Our Camp Philosophy is to provide each camper with the best soccer experience possible. Through our experienced instructors we will provide a soccer learning environment as well as a social experience that will have your child playing at their fullest potential.

Our Instructors are dedicated to provide your child with a positive role model throughout the camp week. We will also show by example good sportsmanship with our world cup play.

**The Star Soccer Academy believes every camper is a Star. That is why each camp day ends with our Star Soccer Academy cheer.
I'm a star, I'm a star, I'm a star**
