How to get started....

It's simple. Complete the information request below and return it to Pat McNulty with WBLL at the address below or contact Pat via email at pjmrm@aol.com or via phone at 561.889.8458. When it comes to team colors and jerseys, sponsors can elect their team colors as soon as they register. Any players associated with a sponsor (i.e. sponsor is parent's business) will be on sponsor's team.

WBLL will need a logo for team jerseys. In most cases, a typical business card is all that you need. The jersey color and sponsor lettering will be two different, contrasting colors. It is best for the logo to be a darker color in relation to the jersey. Unfortunately, logos must only be one color.
