nedgirlslacrosse@gmail.com

Dear Coaches and Parents,

As girl's N.E.D. program prepares for the 2010 summer season, we want to provide you with information about the program. N.E.D.'s goal is to develop girl's lacrosse in the Western Massachusetts and Northern Connecticut areas by providing the opportunity for competitive play and quality coaching.

In 2009 our N.E.D. teams experienced many great successes. Our teams showed tremendous improvements through our practices and at the tournaments we competed in. We have also grown from our experience and plan to continue to improve and compete with elite teams.

Our coaches include Aimee Klepacki, Steve Dudeck, Jim Fitzpatrick, Betsey Tetreault, Carla Warner, Liz Ryan, Veronica Miano and Lindsey Fenton. They all have experience coaching girl's lacrosse at the youth level and are driven to increase the girl's knowledge, skills, level of play and most importantly love of the game.

On Sunday October 25th at Western New England College from 4-5:30pm we are holding tryouts or players currently in 5th, 6th, 7th, and 8th grade. Our goal is to field a team for each grade. We will be selecting the best players in each age group for tournament teams. Any girl who does not make a tournament team roster will be invited to join our practices and still have an opportunity to develop their skills. There is no cost for the tryout.

You will need to pre-register for the tryouts by emailing Aimee Klepacki at nedgirlslacrosse@gmail.com with your child's Name, Current School, Current Grade, and Home Phone Number.

We look forward to a successful 2010 season and hope to see you at the tryouts!

Email us if you have any questions.

Sincerely,

Aimee Klepacki
