

## Code of Ethics for Parents

- As a parent or guardian of a player, I will always support the objectives of Wilson Park Youth Baseball (WPYB) and I will strongly encourage my child to fully participate in his/her practices, games and other WPYB activities.
- I will strive to provide or arrange transportation to all their practices, games and other WPYB activities, and hold their WPYB practices, games and activities as their sports priority.
- I will strive to attend every game possible so that I may positively encourage my child to participate as a team player.
- I will always display exemplary sportsmanship, and serve as a role model to my child, other players, their parents and fans.
- I will respect the calls of umpires and I will refrain from criticizing them and their calls. I understand that they are sincere in their effort to make the right call.
- I will encourage my child to abide by the Code of Ethics for Players.
- I will respect the team manager and coaches and I will support their management of my child's team. I understand that if I have any concerns, I will quietly approach the manager to discuss them in a responsible manner. I will respect the final decision.
- I will support all WPYB fundraising efforts especially the candy sale. I will also fulfill my responsibility to volunteer for assisting with a picnic, operating the concession stand or other WPYB need.
- I will participate and encourage my child to participate in the spirit of friendly competition knowing that the objective of WPYB is to develop my child's baseball skill and knowledge of the game. Winning is a secondary objective of the game.
- I will take great care of the uniform that has been provided to my child for his/her use during this season. I will return it to the manager within one week following the conclusion of this season.
- I will strive to create a safe, enjoyable and healthy environment for all participants in WPYB games and other activities.
- I will refrain from gossiping and spreading rumors. If I have concerns or questions about the organization or its activities, I will contact an official or WPYB to discuss them in a responsible manner.
