

WWAA WESTGATE/WESTSIDE ATHLETIC ASSOCIATION

MAKE-UP GAMES

It is the responsibility of the coaches to make the necessary arrangements for making-up games canceled due to weather and/or field conditions. Head coaches should contact the head coach of the opposing team to determine availability. Once potential dates are established, the coaches should contact the Scheduling Manager (Scheduling@wwabaseball.com) to determine availability of WWAA fields and the Umpire-in-Chief (Umpire@wwabaseball.com) if umpires are required. Note that there is very limited availability of fields during the season due to scheduled games by WWAA and other leagues that use the facility. Games can be played at fields other than WWAA if the coaches can make the appropriate arrangements.
