

ZURICH MIDGET THUNDER ON THEIR WAY TO BECOMING THE 2010 OMHA CHAMPIONS

Zurich hosted a Team from Cannington, On. this past week-end in Zurich. They played to a Standing room only crowd for both games Sat. and Sunday. This is the first Midget Team from Zurich to make it this far in the OMHA for many,many years and the fans were not disappointed, after a close back and forth 1st period the score was still 0-0. However a few minutes into the 2nd Curtis Regier netted his first goal of the game unassisted by the end of the second Zurich had scored another couple goals to go into the intermission with a 3-0 lead. During the third Zurich stepped it up a notch scoreing another 6 goals, with help from Jordan Brand added two goals, Curtis (MO) Regier with another two to give him the Hat trick for the night and Josh Brideau, Colin Gingerich, Nick LaPorte and Kris Ducharme each contributing one each. the Final score sheet registered a 9 - 1 Win for the Thunder. Game 2 was a little more intense, Cannington came to prove to Zurich they were not going back home without a fight. Although Zurich started the scoreing off by a couple of beauty goals by our Captain Josh Brideau they battled back to within one by the end of the 1st period. The second continued from end to end but with the help of Aaron Tait, LaPorte and Brideau scoreing his third for the afternoon put Zurich ahead 5 - 3 by the end of the second. Again the third period seems to be their strongest of the game while most teams seem to fade the Thunder puts their game into overdrive and took over the game even after killing a 5 on 3 they finished off game 2 with an 8 - 4 Win. The series now shifts to Cannington on March 20th game time @6pm and Sunday the 21st @ 2pm (if necessary) Wish them Luck as they carry the momentum into Game 3 next Sat. If anyone from the community would like go on a road trip next Sat. the players would love to have your support.
